Application Form and Important Note

Before completing this Application Form, please carefully read the Information Memorandum dated November 2020 in relation to the Foresight Williams Technology EIS Fund and and seek independent advice.

This Application Form is only suitable for, and should only be distributed to, the same category of investors as those for which the Information Memorandum is suitable.

The Application Form and these notes incorporate by reference the Information Memorandum. Unless otherwise stated or as the context shall otherwise require, defined terms and expressions used in the Application Form and these notes have the meanings ascribed to them in the Information Memorandum.

The minimum investment is £10,000.

If an application set out in an Application Form is not accepted, the Fund Manager will promptly notify the applicant and return the Subscription enclosed with the Application Form by post (or by bank transfer) without interest and at the risk and cost of the applicant. The Fund Manager reserves the right not to process Applications immediately. Any interest arising pending the Start Date on a Subscription, or part of a Subscription, held prior to it being used to make an Investment, shall accrue for the benefit of the Fund Manager.

Who can apply?

Please note that applications will generally only be accepted if they are submitted countersigned by a financial intermediary authorised by the FCA.

You can apply either through an execution only intermediary or a financial adviser.
